

## Wascana Freewheelers Club President's Report -2010 AGM

It gives me great pleasure to present the 2009 President's Report to the membership. 2009 was another wonderful year for our club. We enjoyed the opportunity to meet many new riders who joined us on Wednesday night rides; we often had to divide into two groups. Last year we had over seventy members in our club.

We once again offered a great ride schedule to meet the needs of Regina recreational cyclists. Below is a summary of our activities for the year.

- Our season began with our chili supper membership night in April. As always this event was well attended and provided an opportunity for new members to become acquainted with the club.
- In April the club held three early season events. The Condie tune-up ride, the annual trek to Theodore Roosevelt National Park (Teddy Ride), and our maintenance clinic.
- Our Wednesday night rides from the Legislature continue to be one of our main activities. The turnout for these rides was higher than in previous years with a need to split into two groups occurring often.
- The Freewheelers continued to offer members many special rides in and around Regina on weekends. These rides included our progressive supper, Lumsden for Lunch, Adopt a Greenspace, Kings Park Picnic, and the ever popular Gone with the Wind.
- The club continues to offer some trail rides where we bring our mountain bikes. These included Regina Off the Beaten Path, White Butte at Dusk, and Wascana Trails.
- Over the course of the season the club had many camping outings:
  - o Teddy Ride (North Dakota)
  - o Famous Bicycling Chicks Camping weekend (Roblin, MB)
  - o Lumsden Shake Down
  - o GASP
  - o Rediscovering Tantallon
  - o Bikes, Boats, and Boots (Shellbrook to Kingsmere Lake)
- Once again the fall gave us the opportunity to ride and then attend fall suppers – a great Freewheeler tradition.

In closing I wish to thank all of those who served on the executive, those who have always been there with their support and all those who ride with us. As always I am looking forward to spring and another great year cycling (especially GASP as it will be stopping in my home town of Elrose for the first night).

Jim McGrane, President
