Wascana Freewheelers' Ride Log - 2009

Date/Event	Leader	Riders	Weather	Route/Distance	Comments
			rode Cold night -Barbara froze		
Fitness Ride June 7	Wayne	1	Cool & damp	60 km	
WNR June 10	?				
Off the Beaten Track June 13	Arleene	7	What a perfect day weather-wise, 23°C degrees	A few exhilarating moments coasting down the side of Doug Park Mtn., and some solid bumps that steered the conversation into the advantages of full suspension and sprung seatposts.	Gazpacho soup in the shade Douglas Park Hill, foothills and the cyclocross race trail. We then rode over to the graveyard off of Assinibioa, through an old tree nursery and around other various gravel and paved trails back to the Science Center. We stopped to hike in the Wildlife Refuge and Nature Reserve, look at the Saskatchewan Watershed Wetlands Authority native plant garden and fix a flat. A picnic lunch was enjoyed by all in the park by the Science Center.
Fitness Ride June 14	Wayne				
Ottawa – Quebec June 13 - 28	Marion	2	Lovely weather till headwinds into Trois Rivières.	436 km	Ended at Trois Rivières
